MALTA

'mol-ta

LOCATION — A group of islands in the Mediterranean Sea off the coast of Sicily

GOVT. — Republic within the British Commonwealth

AREA — 122 sq. mi.

POP. — 376,513 (1998)

CAPITAL — Valletta

The former colony includes the islands of Malta, Gozo, and Comino. It became a republic Dec. 13, 1974.

4 Farthings = 1 Penny

12 Pence = 1 Shilling

20 Shillings = 1 Pound

10 Mils = 1 Cent (1972)

100 Cents = 1 Pound (1972)

Catalogue values for unused stamps in this country are for Never Hinged items, beginning with Scott 206 in the regular postage section, Scott B1 in the semi-postal section, Scott C2 in the air post section, and Scott J21 in the postage due section.

Wmk. 354 — Maltese Cross, Multiple

Values for unused stamps are for examples with original gum as defined in the catalogue introduction. Very fine examples of Nos. 1-7 will have perforations touching the frameline on one or more sides due to the narrow spacing of the stamps on the plate. Stamps with perfs clear of the frameline are scarce and will command higher prices.
