TURKEY IN ASIA

'tar-kē in 'ā-zhā

(Anatolia)

40 Paras = 1 Piaster

This designation, which includes all of Turkey in Asia Minor, came into existence during the uprising of 1919, led by Mustafa Kemal Pasha. Actually there was no separation of territory, the Sultan's sovereignty being almost immediately reduced to a small area surrounding Constantinople. The formation of the Turkish Republic and the expulsion of the Sultan followed in 1923. Subsequent issues of postage stamps are listed under Turkey (Republic).
