ZANZIBAR

'zan-zə-bär

LOCATION — Group of islands about twenty miles off the coast of Tanganyika in East Africa

GOVT. — Republic

AREA — 1,044 sq. mi. (approx.)

POP. — 354,360 (est. 1967)

CAPITAL — Zanzibar

Before 1895, unoverprinted stamps of India were used in Zanzibar.

Zanzibar was a British protectorate until Dec. 10, 1963, when it became independent. After a revolt in January, 1964, a republic was established. Zanzibar joined Tanganyika Apr. 26, 1964, to form the United Republic of Tanganyika and Zanzibar (later renamed Tanzania). See Tanzania.

OTTLIGHTS

How Good is the new Ott Light Executive Desk Organizer?
"It's so good, you can't have it back!"

That was the reaction we got when we asked Jim Kloetzel, Editor of the Scott Standard Postage Stamp Catalogue to test the new Ott Light Executive Desk Organizer out for a week, Jim put the light to test examining stamps and using it to review the fine print of the Catalogue pages!

OTT LITE EXECUTIVE DESK ORGANIZER LAMP

The Ott Lite Executive Desk Organizer Lamp

features a 13-watt lamp that effectively brings natural daylight indoors. The light from this lamp reduces eye strain and is especially useful when looking at colors, which appear undistorted in the natural light. The lampshade can be adjusted from left to right or up and down, and the lamp arm can be adjusted forward and backward. A convenient data port on the back of the lamp can be connected via the included phone cord to a wall phone jack.

Using a second phone cord a laptop computer, modem or telephone can be connected via the data port on the front of the lamp base directly below the on/off switch. This attractive and functional lamp will make an excellent addition to any stamp or coin den.

OTT TRUE COLOR LIGHT WITH SWIVEL BASE

View the true colors and intricate details of your favorite stamps with this versatile, compact lamp that features full spectrum lighting.

This technologically advanced tabletop lamp provides bright, glare free illumination while reducing eye strain. Made specifically for taking the guesswork out of your color matching problems. The sturdy, convenient fold-up design features an adjustable light head so you can put light where you need it. It's the closest thing to daylight without the sunshine.
